WHAT IS TAY R.I.S.E?
Planning for your future is one of life’s most demanding jobs. Our Transition Age Youth Reaching Independence with Support and Encouragement (TAY R.I.S.E.) program provides temporary assistance to young men and women who need support meeting their independent living skill goals as well as planning for their future.

OUR DEDICATED MENTORS
We realize that meeting the referred young adults needs and providing opportunities for growth require skilled and knowledgeable individuals. Our mentors:

- Complete a comprehensive screening process
- Have experience working with young adults surrounding goal planning and independent living

WHEN AND WHERE DOES THIS SERVICE TAKE PLACE?
Our TAY R.I.S.E. services are designed to be flexible in order to meet each referred youth’s specific needs. Depending on the youth’s preference, TAY R.I.S.E. services may take place in the youth’s own home or in the community.

WHAT CAN WE EXPECT?
Authorizations for TAY R.I.S.E. services are granted on an as needed basis, typically lasting up to six months in duration. Youth will have an opportunity to meet with their mentor prior to having the service begin, in order to make sure both parties believe the match is a good fit. Once an official match is made, youth will spend time getting to know their mentor, build rapport and develop a goal plan. A program coordinator will be made available should any emergencies arise.
